

CHANGE MAKERS

hub

Ensuring Dundee's Communities are Leading Change Together for a Better Tomorrow.

Providing practical support to better connect and equip local communities with knowledge, skills, tools and connections to drive change.

1. Connect and scale-up existing actions

2. Nurture new and existing relationships

3. Raise community voices and capacity to drive change in policy and practice

4. Amplify social and climate action

The Network of Changemakers

Free workshops to:

- share knowledge
- skills
- learnings
- good practice, etc.

Free social event to:

- connect better
- develop a joint vision
- hear from experts, etc.

Amplify Social & Climate Action

Together we'll drive positive change with, by and for Dundee's communities and environment.

The Pilot Projects:

- Whitfield
- Coldside
- Manyways
